PUBLIC NOTICE

RE: CIRCULAR FOR INTRODUCTION OF GATE FOR TECHNOLOGY CO. LTD, AS EXCLUSIVE AGENT FOR THURAYA TELECOMMUNICATION COMPANY.

We refer to the above matter:

The Authority has been engaging Thuraya Telecommunication Company, which has identified and authorized a sole distributor with exclusive rights to deal in all Thuraya merchandise/equipment. The Authority consequently states that pursuant to Sections 30 (1) and 70(1) & (3) of the National Communication Act, 2012, that this notice is effective to all Importers and dealers of Thuraya Mobile Satellite Phones that Gate for Technology Co. Ltd is the only Agent duly authorized by Thuraya Telecommunication Company and entrusted by the Authority with regulatory compliance to Import, distribute, register and trade in Thuraya Satellite phones.

No company or any dealer in Thuraya Mobile Satellite Phones shall be allowed to import, trade or distribute Thuraya products without express authorization from Gate for Technology Co Ltd.

Failure by the Companies or individuals to comply with this circular, the Authority will have no alternative but to invoke its powers under the provisions of Sections 97 and 98 of the National Communication Act, 2012, read together with section 25 of the National Communications Licensing Regulations, 2016, which impose penalties including but not limited to fines, prosecution, closure of business and or confiscation of items.

The National Communication Authority (NCA) is the statutory body established by National Communication Act, 2012, as the government agency mandated to license and regulate the Telecommunications and ICT sector in the country, which includes among others; trading in communication equipment and materials, Manufacturing, import, assembly, managing frequency, telecommunications, electronic commerce, etc.

In case of any clarifications, please feel free to contact the concerned Departments at the NCA, Gumbo.

Sincerely,

Napoleon Adok Gai,
Director General,
National Communication Authority
